

9th OLD TREES PHOTOGRAPHY CONTEST

The **OLD TREES' FRIENDS / ZUHAITZ ZAHARREN LAGUNAK** association is organizing the **9th Photography Contest on Old Trees**.

Through this contest we hope to encourage and boost careful observation, curiosity, fondness and respect towards old trees as well as the animals and plants that live in them, and furthermore, to get to know traditions and habits that surround them.

We will select 12 pictures which will configure our **2017 calendar**, and the benefits from its sales will go towards two main objectives: to spread the **OLD TREES' FRIENDS / ZUHAITZ ZAHARREN LAGUNAK**

natural values of old trees and to promote the association.

As usual, on this occasion, we open this contest to international participation from France, Great Britain, Germany...
